

LOGITECH SIGHT

Tabletop companion camera with intelligent multi-participant framing. Get the best front-and-center view of the room, from anywhere.

TWO VIEWPOINTS. A BETTER PERSPECTIVE.

A new approach combines Sight at the table with the front-of-room video bar to show the best angle of meeting room interactions.

FRONT AND CENTER

Add a tabletop to your front-of-room camera to deliver a better, more inclusive hybrid meeting experience.

WORKS WITH YOUR PLATFORM OF CHOICE

Sight integrates with leading video conferencing platforms to enable even better hybrid meeting.

LOOK SHARP. SOUND AWESOME.

ADVANTAGES OF RALLY BAR MINI

- ✓ **Superior Performance in Small Rooms:** With studio-quality audio and video and AI-driven performance, Rally Bar Mini sets new standards for video collaboration.
- ✓ **Flexible Deployment Options:** Run meetings in appliance mode without a computer for Microsoft Teams, Zoom, GoTo, Pexip, or RingCentral. Or, connect to a computer or laptop and use with any software.
- ✓ **Simple Setup and Cable Management:** Place on a table or credenza or add a wall or TV mount for a sleek space-saving set up. Integrated cable management keeps connections tight.
- ✓ **Easy to monitor, manage, and support:** Stay informed and ahead with Logitech Sync. Monitor status, push firmware updates, and gain insights with metrics like people count.

Small room solution with Logitech Tap for Zoom Rooms. Other video appliance and PC-based configurations also available.

MAKE EVERYONE LOOK AMAZING.

RALLY BAR HUDDLE

All-in-one video for huddle and small rooms.

1 ENABLE EQUITABLE MEETINGS:

AI video intelligence, advanced sound pickup, noise suppression, provide a clear and natural meeting experience.

2 SET UP IN MINUTES:

Quick to set up and easy to integrate with your existing solutions through CollabOS.

3 WORKS WITH YOUR PREFERRED PLATFORM:

Rally Bar Huddle works with most platforms you use to connect hybrid teams.

FULL SOLUTION

Full solution featuring an all-in-one video bar and touch controller with PoE connectivity.

RALLY BAR HUDDLE

TAP IP

LOGITECH TAP

Deliver one-touch join, calendar integration, instant content sharing, and a consistent experience across meeting rooms. With a sleek design, silent operation, and motion sensor for always-on readiness, Tap brings ease and convenience to video collaboration.

MEETING ROOM TOUCH CONTROLLER FOR VIDEO CONFERENCING ROOM SOLUTIONS

More than just a meeting room touch controller, Logitech Tap is what helps you achieve a consistent user experience across your entire deployment.

Boasting a spacious 10.1" touchscreen, low-profile enclosure, and multiple mounting accessories, Logitech Tap delivers a sleek appearance and convenient placement options that support a wide range of room sizes and layouts. And, with its HDMI input, content sharing is instant and effortless. Wireless content sharing is also available depending on your chosen video conferencing service.

ENTERPRISE READY

Clean Installation

Flexible cabling lets you locate Tap near participants for convenient operation while installing the host computer in a cabinet, beneath a table, or behind a display.

Multiple Mounting Options

Secure Tap flat to the table, raise the viewing angle, or mount it on the wall to conserve space, minimize cabling, and optimize the user experience.

ROOM SOLUTIONS WITH LOGITECH TAP

Easily deploy video meetings with pre-configured Logitech room solutions for Microsoft Teams, Zoom, and Google Meet, which include everything you need - Tap, a conference camera or video bar, and PC compute - to start building meeting rooms of virtually any shape or size.

LOGI DOCK

Upgrade the remote working experience with Logi Dock, an all-in-one docking station with one-touch meeting controls and a built-in speakerphone. Certified for leading video conferencing platforms and easy to set up, Logi Dock connects everything in one tidy unit, replaces the need for extra peripherals, and eliminates a tangle of cables and wires.

THE ULTIMATE DOCK FOR HYBRID WORKERS

Logi Dock is an all-in-one docking station with meeting controls and enterprise-quality audio that simplifies personal workspaces and improves the WFH experience.

Designed to declutter the desktop, Logi Dock provides a single connection point for up to five USB peripherals and two monitors¹, while powering your laptop up to 100 watts.

With calendar integration² and support for your favorite video conferencing services like *Google Meet*, *Microsoft Teams*, and *Zoom*, Logi Dock makes it easy to join your next meeting. Just press a button and you're in.

For high-quality calls, Logi Dock features a built-in, noise-canceling speakerphone, which also delivers impressive stereo sound when you want music as your work companion.

KEY FEATURES

UNCLUTTER YOUR DESKTOP

Logi Dock connects up to five USB peripherals, and up to two monitors¹ while charging your laptop up to 100 watts. With fewer cords and dongles, and less visual clutter, Logi Dock makes room for cleaner workspaces and better work days.

HEAR & BE HEARD CLEARLY

Noise-canceling Speakerphone

Six beamforming microphones help capture your voice clearly while advanced algorithms reduce unwanted background noise.

Easy Audio-Switch³

For private conversations, switch the audio from Logi Dock's speakerphone to your personal audio by turning on your Zone Wireless (Plus) headset or inserting your Zone True Wireless earbuds.

Add Music to Your Workday

Logi Dock's expertly-tuned speakers deliver immersive, crystal-clear sound, so you can enjoy your favorite tunes between or after meetings. Pair to your smartphone or tablet via *Bluetooth*[®] to stream audio.
